We rank card types - travel, money back, business - a set of factors that are most relevant to this type of card. We create these rankings to help you narrow down the credit card that best fits your spending and budget. Read our methodology and scoring details. You just have kids, and I realized you're spending a lot more time at home. Although you've used other travel rewards cards in the past, you're now looking for something that will take care of your new life. With a lot of supermarket shopping, lots of baby clothes to buy, and tons of driving around town, you might find that Blue Cash Everyday® Card American Express is a great choice. You can get 2% money back from select US department stores, which is great for buying baby clothes. The 2% category also includes U.S. gas stations, and you can get 3% money back in U.S. supermarkets! Image Credit: Dmitry Kalinovsky via ShutterstockAdd card earns a very welcome bonus, as mentioned above in the summary table: Just spend the necessary amount to collect the full bonus! In addition, the card earns money back from purchases in the U.S. You earn 3% back in U.S. supermarkets, 2% back at U.S. gas stations and select U.S. department stores, and 1% for all other purchases. Unlike its upgraded version of Blue Cash Preferred Card, there is no annual fee on this card. Bottom Line: Earn 3% money back in U.S. supermarkets (up to \$6,000 a year; 1% after that) and 2% at U.S. gas stations and select U.S. department stores using the Blue Cash Everyday Card. Earn 1% for all other purchases. The Blue Cash Everyday Card Benefit Card is great for typical stay-at-home types who don't really travel. With money back in U.S. supermarkets, U.S. gas stations and U.S. department stores, the map covers large categories of families. There's a \$6,000 limit in the US supermarket category, but after that it's still earning a 1% return. This means that it is money-back supermarkets every year, but it's definitely worth it. There are no restrictions on the category of petrol stations, but only selected department stores are counted. They include Kohl's, JC Penney, Macy's, Bloomingdales and more. All money you earn will be used in your account at any time; The only condition is that it must be in merchandise for \$25.Card Fortifications and Fringe BenefitsAdingsA fact that the money back is nice, the card also boasts some additional fringe benefits. First, you'll get extra cards for free if you need them. In travel cases, you will have car rental insurance if you refuse to rent an agency waiver. Also, in an emergency, there is a global aid hotline that can be used around the world to help in cases where you may need help that you can't find elsewhere. The Blue Cash Everyday Card also comes with travel accident insurance, which will cover you at worst. For purchases, you will receive purchase and return protection and extended warranty service. These are useful if you need them if the vendor does not cover the product. Finally, you can get Amex Entertainment Access, which offers exclusive tickets and events only for Amex members. The drawbacks of using CardOne's biggest drawbacks are that if you decide to travel, you want to stay in your home country. The card has a 2.7% foreign transaction fee, and a money back is only good inside the U.S. if you really use 3% of the U.S. supermarket cash-back, it may be disappointing to find that this benefit runs out after the first \$6,000.In this case, you might want to consider upgrading the Blue Cash Everyday Card to get a bigger bang for your buck. You often spend in U.S. gas stations, supermarkets, and select department stores, but there are no great annual expenses You spend frequently on travel and can earn a full welcome bonus You don't use bonus categories often You need a card without foreign transaction fees You want a card that earns travel rewardsBeing a cash-back card, there are only so many ways to maximize your rewards using the Blue Everyday Cash Card Certainly, you need to use this card as much as possible at us gas stations , supermarkets and department stores. It may be wise to buy things you would normally like to buy elsewhere in these places in order to maximize the money back. But don't make your way or make purchases that cost more just to do it! Only a 1%-2% difference, the margins are small and you probably won't come out in front. You may be able to get a 2% cash back inside certain convenience stores like 7-Eleven if they also have a gas station, so use your card smartly. You can maximize the money back from shopping convenience stores attached to the gas station if you need a snack! Image Credit: harper kt via ShutterstockSa you can redeem money back from your card statement credit, and only in a step of \$25. Therefore, it is simply necessary to be planned and redeemed with this amount. There are no additional partners with this card. American Express has started limiting your card bonuses to 1 bonus card per lifetime, so this is a great time to get in on a welcome bonus. Cash-back bonus categories are only good for businesses within the U.S., so if you travel abroad you won't get a cash back. Overseas use is not recommended for this card anyway because it has a 2.7% foreign transaction fee. Other Unique Features Blue Cash Everyday card comes with some additional features on top of your bonus categories that you can learn more about here. Car rental damage and damage insurance – By refusing a rental car waiver, you will have access to car rental insurance up to \$50k. Global Helpline – You have access to a hotline to call an emergency abroad, such as if you need someone who speaks your language to address the problem. The helpline is free of charge, but all third-party services they sign up will cost you money. ShopRunner - ShopRunner gives you free shipping from several online retailers. This is a non-Amazon version of Prime.Purchase Protection – If you buy an item using your card and it's stolen or broken, you'll get up to \$1,000 back for the item. Click here to see blue cash everyday card prices and fees. The card is great for a home type who often shops in the city. Without an annual fee, you will earn 1-3% cash-back purchases in many categories. US Supermarkets will get you a 3% cash back, but know it's only good for the first \$6,000 spending each year. U.S. gas stations and select U.S. department stores earn 2% money back, 1% everywhere else. You can also take advantage of some additional special benefits insurance benefits by adding even more value to your card than you need. Using a card at all adds value to your card collection, but this card actually has the potential to earn hundreds of dollars in money back every year! The card earns 1-3% money back between U.S. supermarkets, U.S. gas stations, and select department stores. Cash-back can only be redeemed for \$25 a item, but the overall earning is unlimited. The card also comes with some insurance benefits: rental car and travel accident insurance, car assistance and global assistance lines, and purchase and return protection. You will also receive an extended warranty for the selected items. You will never lose money earned by card unless your account is closed. A money back will be added to your total at the end of each billing period. Yes, the card has a 2.7% foreign transaction fee. Please note that if used abroad, you will not earn extra money back in bonus categories. Please refer to the prices and fees for this card for up-to-date Apr information. Sign in to your card AmericanExpress.com and select this card if it's not the default card (if you have more than one AMEX card). You can see the money back summary of the main menu. Click on Redeem and follow the instructions Steps. Cash-back can only be redeemed in a step of \$25 at a time. It depends on how much you spend in a given year. To get an idea, you can view the Card Math sections for each card. The rule of thumb is that if you peak out of \$6,000 in U.S. supermarket spending, you will make enough money to justify the Blue Cash Preferred® Card American Express.At 6% cash back, it's worth \$360 versus \$180 for a blue cash everyday card. For the higher spenders of U.S. gas stations and U.S. supermarkets, you are also likely to see higher revenue for the Blue Preferred Cash Card despite a \$95 annual fee. Sign up for your card at AmericanExpress.com.A with a minimum score of 720 likely to give you a card, but 750 or higher would almost guarantee it. The grace period is 25 days. Days.
